

HOUSE CATS LONDON - COVID-19

STANDARDS & SAFETY PLAN

STOP COVID-19
TRANSMISSION

HEALTH CHECKS

Our staff, when returning to work, must complete health declaration to insure they are Covid-19 symptoms free and fit to work. Any staff member showing symptoms will be immediately sent home and required to self isolate for 14 days as well as follow government guidelines before returning to work.

We ask that if a customer or any accompanying persons are showing symptoms of Covid-19 that you postpone your visit.

TEAM TRAINING, HYGIENE & CLEANING STANDARDS

All our team members will be briefed and trained in our new enhanced cleaning procedures and the responsibility they have to their colleagues & clients.

Hand sanitiser stations will be available throughout the whole shop as well as on every technicians work station and we welcome you to use them at any point during your time with us.

PERSONAL PROTECTION

Personal protection equipment [Face masks, Gloves & shields] are provided for necessary tasks and in use in accordance with government guidelines.

PERSPEX screens have been installed in all working stations for additional protections for our clients and our team.

SOCIAL DISTANCING MEASURES

We have taken all responsible steps to maintain a safe and social distance within the workplace and 2 meter social distancing observed and applied at all times

TECHNOLOGY

We are accepting CARD PAYMENTS ONLY to avoid the handling of cash.
